

## Success with Scissors Kit

### PSSK-1

This kit includes our most popular classroom scissors for children who struggle to use conventional style scissors. Particularly helpful for autistic and dyspraxic students.

Recommended to be used in conjunction with Developing Basic Scissor Skills Work Cards (see PDSS-WVS or PDSS-USB for multi-lingual version).

#### CONTAINS

PEG-1	Easi-Grip® scissors RH
PEG-1/L	Easi-Grip® scissors LH
PR-1/SO	Self-Opening scissors RH
PL-1/SO	Self-Opening scissors LH
LPR-1	Long Loop RH
LPL-1	Long Loop LH

#### IDEAL FOR TEACHERS

This kit is an ideal resource to allow teachers to test different scissors with each pupil to identify the one which is most appropriate.

For full information on the individual scissors please visit our website.
